What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at the Billing Inquiries Address of: Synchrony Bank, P.O. Box 71725, Philadelphia, PA 19176-1725
In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (**Note:** Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
 2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
 3. You must not yet have fully paid for the purchase.
- If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at: Synchrony Bank, P.O. Box 71725, Philadelphia, PA 19176-1725

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Information About Payments: You may at any time pay, in whole or in part, the total unpaid balance without any additional charge for prepayment.

Payments received by mail after 5:00 p.m. (ET) on any day will be credited as of the next day. If you make a payment by phone or online before 11:59 p.m. (ET), we will credit it as of the date the payment is made. Credit to your Account may be delayed up to five days if payment (a) is not received at the Payment Address, (b) is not made in U.S. dollars drawn on a U.S. financial institution located in the U.S., (c) is not accompanied by the remittance coupon attached to your statement, (d) contains more than one payment or remittance coupon, or (e) includes staples, paper clips, tape, a folded check, or correspondence of any type. **Conditional Payments:** All written communications concerning disputed amounts, including any check or other payment instrument that: (i) indicates that the payment constitutes "payment in full" or is tendered as full satisfaction of a disputed amount; or (ii) is tendered with other conditions or limitations ("Disputed Payments"), must be mailed or delivered to us at P.O. Box 71725, Philadelphia, PA 19176-1725.

Credits To Your Account: An amount shown in parentheses or preceded by a minus (-) sign is a credit or credit balance unless otherwise indicated. Credits will be applied to your previous balance immediately upon receipt, but will not satisfy any required payment that may be due.

Credit Reports And Account Information: If you believe that we have reported inaccurate information about you to a consumer reporting agency, please contact us at P.O. Box 71727, Philadelphia, PA 19176-1727. In doing so, please identify the inaccurate information and tell us why you believe it is incorrect. If you have a copy of the credit report that includes the inaccurate information, please include a copy of that report. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

How We Calculate Interest

Daily Balance Method: We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. We then add the interest to the daily balance. To get the "daily balance" we take the beginning balance of your account each day (which includes unpaid interest), add any new charges, and applicable fees, and subtract any payments or credits. This gives us the daily balance. Any daily balance of less than zero will be treated as zero. A separate daily balance will be calculated for each balance type on your account. The balance(s) shown in the Interest Charges section of this statement is the sum of the daily balances for each day in the billing cycle divided by the number of days in the billing cycle.

We will not charge you any interest on purchases if you pay your entire balance by the due date each month. Please refer to the due date shown on the front of your statement. We will begin charging interest on cash advances on the transaction date. If balance transfers are made available to you, we will begin charging interest on balance transfers on the transaction date.

Contacting PayPal or its affiliate on this account, or filing a claim through any of PayPal or its affiliate's dispute resolution process will not result in an inquiry being placed with us regarding your account.

Interest charge calculation

Your **Annual Percentage Rate (APR)** is the annual interest rate on your account. (v) = Variable rate

Type of balance	Expiration date	(APR) Annual percentage rate	Balance subject to interest rate	Interest charge
Purchases & Balance Transfers	N/A	19.24% (v)	\$0.00	\$0.00
Cash advances	N/A	33.99% (v)	\$0.00	\$0.00

When is interest charged on my account?

If you make a purchase, generally, we charge interest from the day you make the purchase until you pay it in full.

- You can avoid interest on new purchases if you have no balance at the start of your billing cycle or you pay your balance in full each month.
- If you did not pay your balance in full in the prior billing cycle, interest will be calculated on your balance from the first day of the current billing cycle until we receive your payment in full, even if you pay your balance in full and on time and make no new charges in the current billing cycle. This interest, plus interest on that interest, will be reflected on your next billing statement.

If your account allows you to make a cash advance, we charge interest from the day you make a cash advance transaction until you pay that balance in full. You cannot avoid interest on this type of transaction or related fees.

Cardholder news and information

If you are charged interest, the charge will never be less than the minimum interest charge disclosed in your terms and conditions. If you incurred interest less than this amount (please see above in the Interest Charge Calculation section) we will increase this charge to this amount.
